

Preliminary 2014 SB 499 Hospitals' Reports Summary

This preliminary summary is based on data reported by the hospitals to OSHPD as required by the SB 499 reports due on November 1, 2014. The information and data used to generate this summary are subject to change without notice.

Compliance Timeline	Number of Hospitals	Number of SPC-1 Buildings
By January 1, 2015	26	82
Between January 1, 2015 to January 1, 2016	21	50
Between January 1, 2016 to January 1, 2018	24	55
Between January 1, 2018 to January 1, 2020	59	150

- The compliance timeline for SPC-1 buildings is self-reported by the hospitals and does not automatically make a hospital eligible for an extension to the compliance date reported.
- To be eligible for an extension, a hospital must meet the initial eligibility criteria and maintain its eligibility by complying with subsequent milestones and requirements.
