This change without regulatory effect by the Office of Statewide Health Planning and Development ("OSHPD") amends section 97232 in title 22 of the California Code of Regulations ("CCR"). Health and Safety Code section 128735 enumerates the data elements that must be included in each patient record, one of which is the Expected Source of Payment. (Health & Saf. Code, § 128735, subd. (g)(19).) This data element is implemented in Section 97232, which consists of three parts: Payer Category, Type of Coverage, and, if a Managed Care Knox-Keene health plan or a Medi-Cal County Organized Health System is reported, the Plan Code number identifying the plan must also be included. This change without regulatory effect adds three newly licensed plans and changes four existing plan names to newer licensed names. The list is also reorganized to maintain the alphabetical order of the listed plans.

OAL approves this change without regulatory effect as meeting the requirements of California Code of Regulations, Title 1, section 100.
