Accomplishments

- **Increased # of public mental health placement sites by 15 during contract period**
- **2 UCSF PMHNP faculty in public mental health faculty practice sites serving children**
- **Quarterly Mental Health Recovery Lunch Symposia**

Challenges

- **Quarterly reporting/invoicing**
- **Hard to track payback service for grads w/ multiple pt-time positions**
- **PMHNP program assumes \$ liability for students/graduates who become disabled & can't pay back**
- **Grads attracted by practice opportunities in states where NPs have autonomous practice**

Thank you!
