

Federal Health Workforce Development Funding Opportunities - Updated 11/18/2015

Below you will find a brief description of each Funding Opportunity Announcement (FOA) that has been announced and a link to each grant website which has complete funding, award, and eligibility information. Highlighted postings have expired but remain on this list for future reference. **If you would like to request a Letter of Support (LOS) from OSHPD, send a request via email to HCRWorkforce@oshpd.ca.gov to receive a list of documents and information required to provide applicants with a LOS.**

NOTE: HCR staff requires 2-3 weeks' notice (business days) to provide grant applicants with a LOS. Please submit requests as early as possible.

HCR Notice Date	Grant Title & Grant Number	Granting Organization	Grant Description	Grant Eligibility	Funding Available	Key Dates	Amount Awarded to Applicants
11/18/15	Health Center Program Service Area Competition – Additional Areas Grant HRSA 16-176	HRSA BPHC	Supports patient-directed public and private nonprofit organizations that provide primary and preventive healthcare services to the Nation's medically underserved. This FOA ensures continued access to comprehensive, culturally competent, quality primary healthcare services for communities and vulnerable populations served by the HCP. Also details the SAC-AA eligibility requirements, review criteria, and awarding factors for organizations seeking funding under the HCP Program, including Community Health Center, Migrant Health Center, Health Care for the Homeless , and/or Public Housing Primary Care. Further information available at: https://grants.hrsa.gov/2010/Web2External/Interface/FundingCycle/ExternalView.aspx?fCycleID=a221277c-f2f6-4783-a7df-2b246e8799f0	NOTE: Only Los Angeles, California entities are eligible to apply and include public or nonprofit private entities, including tribal, faith-based, or community-based organizations that propose to provide comprehensive primary healthcare services.	\$12,000,000	Request LOS by 12/14/15 Apply at Grants.gov by 01/19/16 Supplemental info due by 02/02/16	
11/18/15	Advanced Nursing Education Program HRSA 16-070	HRSA BHW Division of Nursing and Public Health	Supports the enhancement of advanced nursing education and practice. Funded projects will implement creative academic-practice partnerships within advanced practice registered nurse (APRN) primary care programs. Partnerships between academic institutions and rural and/or underserved primary care practice sites will promote APRN students' readiness to practice upon graduation by improving training and competencies for both students and preceptors. These partnerships will facilitate the meaningful exchange of information to identify the needs of the community and the clinical workforce; use this information to enhance curriculum, preceptor recruitment, training and evaluation; and shape the experiential training of advance practice nurses to better prepare graduates for the specific needs of rural and underserved populations. Further information available at: https://grants.hrsa.gov/2010/Web2External/Interface/FundingCycle/ExternalView.aspx?fCycleID=83dd1b7a-0add-42e6-a9a9-687cc338c101	Applicants include schools of nursing, nursing centers, academic health centers, State of local governments, and other public or private nonprofit entities.	\$11,000,000	Request LOS by 01/04/16 Apply at Grants.gov by 01/15/16	

HCR Notice Date	Grant Title & Grant Number	Granting Organization	Grant Description	Grant Eligibility	Funding Available	Key Dates	Amount Awarded to Applicants
11/10/15	Primary Care Training and Enhancement (PCTE) Awards HRSA 16-042	HRSA BHW Division of Medicine and Dentistry	The PCTE Program strengthens the primary care workforce by supporting enhanced training for future primary care clinicians, teachers, and researchers, and promotes primary care practice, particularly in rural and underserved areas. The focus is to produce primary care providers who will be well prepared to practice in and lead transforming healthcare systems aimed at improving access, quality of care, and cost effectiveness. More information available at: http://www.grants.gov/web/grants/view-opportunity.html?oppld=279632	Eligible applicants include accredited public or nonprofit private hospitals, schools of medicine or osteopathic medicine, academically affiliated physician assistant training programs, or public or private nonprofit entities.	\$14,900,000	Request LOS by 12/01/15 Apply at Grants.gov by 12/16/15	
11/9/15	Health Center Program's Service Area Competition HRSA 16-007	HRSA Bureau of Primary Care	The HCP supports patient-directed public and private nonprofit organizations that provide primary and preventive healthcare services to the Nation's medically underserved. The SAC funding opportunity ensures continued access to comprehensive, culturally competent, quality primary healthcare services for communities and vulnerable populations served by the HCP, which provides healthcare services to an announced service area including Community Health Center, Migrant Health Center, Health Care for the Homeless, and/or Public Housing Primary Care. More info available at: http://www.grants.gov/web/grants/view-opportunity.html?oppld=279300	Must be a public or nonprofit private entity and must request funding to support the operation of a health center that provides required comprehensive primary, preventive, and enabling healthcare services. Faith-based, community-based organizations, Tribes, and tribal organizations are also eligible.	\$105,000,000	Request LOS by 12/01/15 Apply at Grants.gov by 12/02/15 Supplemental documents due by 12/17/15	
10/9/15	Nurse Anesthetist Traineeship (NAT) Program HRSA 16-067	HRSA BHW Division of Nursing and Public Health	Provides traineeship support for licensed registered nurses enrolled as full-time students in an accredited graduate-level nurse anesthesia program. Grants awarded to accredited institutions that educate registered nurses to become nurse anesthetists and gives funding preference and special consideration to schools whose graduates work in areas that address rural, underserved, and public health nursing needs. Awards support all/part of tuition, books, e-books, fees and reasonable living expenses during traineeship. https://grants.hrsa.gov/2010/Web2External/Interface/FundingCycle/ExternalView.aspx?fCycleID=3b2a38a1-8a11-41cd-92e8-0ad91a4aad7a	Includes schools of nursing, nursing centers, academic health centers, state or local governments and other public or private nonprofit entities. NAT funds are awarded to institutions, not individuals.	\$2,250,000	Request LOS by 11/03/15 Apply at Grants.gov by 11/20/15	

HCR Notice Date	Grant Title & Grant Number	Granting Organization	Grant Description	Grant Eligibility	Funding Available	Key Dates	Amount Awarded to Applicants
4/13/15	Mental Health Research Dissertation Grant to Enhance Workforce Diversity (R36): PAR-15-181	HHS NIH NIMH	Purpose is to enhance the diversity of the mental health research workforce by providing dissertation awards in all research areas within the strategic priorities of the NIMH to individuals from diverse backgrounds underrepresented in biomedical, behavioral, clinical and social sciences research. Supports the completion of the doctoral research project. Earliest date to submit applications is July 21, 2015. Other application deadlines are 2015 : August 21, December 21; 2016 : April 22, August 22, December 22; 2017 : April 27, August 22, December 22; 2018 : April 23, 2018.
