Hospital Building Safety Board

SB 90

■ SB 90 Committee Meetings:

- April 11, 2012 – Cancelled because **Senate Bill 90 is not yet operative.**
 - Federal matching funds have not yet been approved; although approval is presently expected to occur, it is unknown when that may happen.
- September 11, 2012 – tentative

■ SB 90 Deadlines

- The deadline to file letter of intent for an SB 90 extension was **March 31, 2012.** OSHPD received many requests for extensions, but cannot review or act on them until Federal funding is approved.
 - OSHPD held two live seminars prior to the deadline (02/27 in Los Angeles and 03/01 in Sacramento) to cover the regulations and requirements for an SB 90 extension application and what OSHPD was looking for in the application information.
- Submittal of review-ready HAZUS assessment by **September 30, 2012.**
