

Licensed Acute Psychiatric Beds, 2005 - 2014

Based on licensed acute psychiatric beds and patient census as of December 31st each year

Source: Annual Utilization Data, 2005 - 2014 Office of Statewide Health Planning & Development

**The number of acute psychiatric patients by payer and the number of beds represent a snapshot as of December 31st for each year. *Number of Discharges may not represent unduplicated patients.

Discharges and number of patients by payer are reported by bed type only, not by diagnosis code. For a more detail: see http://oshpd.ca.gov/HID/ALIRTS/Text_pdf_files/Hosp_Forms_Inst/hosinstrct14.pdf
