Dear Mr. Yee,

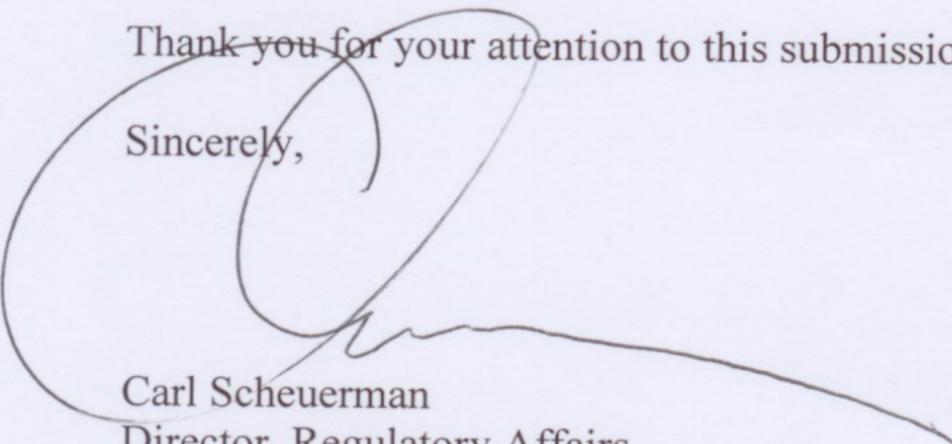

RE: Memorial Hospital Los Banos – (ID 10309)

Sutter Health is pleased to submit an SB 1661 report on behalf of its Memorial Hospital Los Banos affiliate. The campus is comprised of two buildings carrying an SPC-1 seismic performance rating, thus necessitating the submission of this report.

Engineering data for the buildings has been submitted to OSHPD for review under the HAZUS program and is currently pending its outcome. We are confident in the anticipated success and subsequent reassignment of an SPC-2 rating for these buildings.

Thank you for your attention to this submission.

Sincerely,

Carl Scheuerman
Director, Regulatory Affairs
