ASSOCIATE DEGREE NURSING SCHOLARSHIP PROGRAM

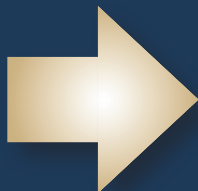

The Health Professions Education Foundation offers the Associate Degree Nursing Scholarship for the Registered Nurse Program. The purpose of the scholarship is to increase the number of registered nurses and to encourage nurses to practice direct patient care in medically underserved areas of California.

Students who are currently enrolled or accepted into an Associate Degree Nursing Program may receive up to \$10,000 for one academic year. In return for receiving an Associate Degree Nursing Scholarship, awardees must agree to practice direct patient care for two years in a medically underserved area of California.
