California Primary
Care Association

Document for reference only; apply online.

2. Cal-SEARCH Preceptor/Mentor Participation Survey Introduction

Cal-SEARCH Preceptor/Mentor:

Thank you for participating in the Cal-SEARCH Program. We hope the experience was a positive one. Now that your student/resident has completed the program, we'd like you to take a moment to complete this post-rotation survey.

Your feedback is important to the Cal-SEARCH program and we thank you for taking the time to complete this survey.

If you preceptored or mentored more than one student, please complete a survey for each student/resident participant.

Once the post-survey is completed, and all other Cal-SEARCH requirements met, you will be sent your stipend. Once again, thank you for participating in Cal-SEARCH and providing this important feedback.

Document for reference only; apply online.

3. Cal-SEARCH Preceptor/Mentor Participation Survey Questions
