Mr. Tokas,

Per our conversation on 3/22/07 I am letting you know that Chowchilla District Memorial Hospital is no longer an Acute Hospital. Department of Health Services has not issued our new license as of March 29, 2007. We have called DHS and they are in process of issuing our license. As soon as we receive our license I will forward to you. If you have any further questions please call me at 559-665-3781 ext. 363.

Thank you

Cathey McDonald
Administrative Assistant
Chowchilla Hospital
