Attn: John D. Gillengerten, Acting Deputy Director

Ref: OSHPD SPC-1 Compliance

Dear Mr. Gillengerten:

We are in receipt of your letter dated March 9, 2007 (copy attached) wherein you refer to certain status-reporting requirements for hospital structures. Please be advised, the four (4) buildings referred to were de-commissioned in 2005 and subsequently demolished.

The subject buildings were replaced with a new single building hospital under OSHPD permit #HL-011254 as facility #11496. The permit was issued on May 6<sup>th</sup>, 2003; the permit of occupancy was issued on February 22, 2005; the FLS final was signed on May 3, 2005; The ACO Construction Final was issued on September 12, 2005 and the OSHPD final fees were paid on March 7, 2007. (Copies of these documents are enclosed)

If further reporting of our new hospital compliance with SB1953 is needed, please advise.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert S. Barnes", written over a horizontal line.
