Dear Mr. Yee,

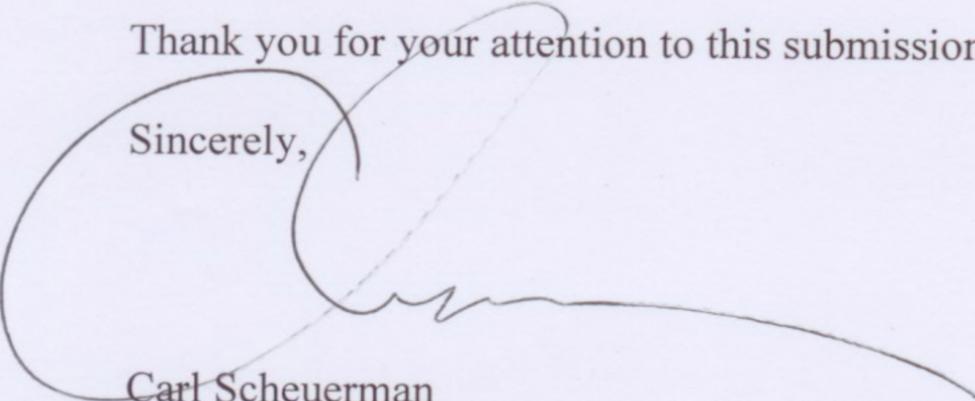

RE: Sutter Delta Medical Center – Antioch (ID 10052)

Sutter Health is pleased to submit an SB 1661 report on behalf of its Sutter Delta Medical Center affiliate. The campus has a single building carrying an SPC-1 seismic performance rating, thus necessitating the submission of this report.

Engineering data for the building has been submitted to OSHPD for review under the HAZUS program and is currently pending its outcome. We are confident in the anticipated success and subsequent reassignment of an SPC-2 rating for this building.

Thank you for your attention to this submission.

Sincerely,

Carl Scheuerman
Director, Regulatory Affairs
