Dear Mr. Yee,

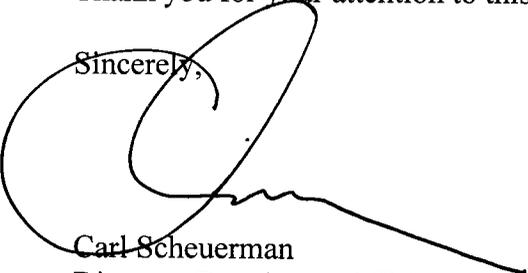

RE: Peninsula Medical Center – Burlingame – (ID 10804)

Sutter Health is pleased to submit an SB 1661 report on behalf of its Mills Peninsula Health Services (MPHS) affiliate for its Peninsula Medical Center. The facility is comprised primarily of buildings carrying an SPC-1 seismic performance rating, thus necessitating the submission of this report.

Construction is underway for a complete replacement facility at the site of the existing hospital. The new facility will be ready for use prior to December 31 2012, following which the existing facility will be demolished.

Thank you for your attention to this submission.

Sincerely,

Carl Scheuerman  
Director, Regulatory Affairs
