## **Executive Summary**

---

Pursuant to the Senate Bill 1661, Section 2, Amending Health and Safety Code Section 130061 (b), Marin Healthcare District is submitting this report describing the status of compliance with Health and Safety Code Section 130060.

This status report is based on the S.B. 1953 Amended Compliance Plan dated 10 January 2007. Note also that Marin General Hospital was granted a five-year extension to the 2008 compliance deadline on 14 July 2006.

It remains the intention of the Marin Healthcare District to achieve compliance for Marin General Hospital, by year 2013, through the replacement of noncompliant SPC 1 buildings and relocation of inpatient services into existing or new compliant buildings (SPC 3 or higher).
