Dear Mr. Yee,

RE: Sutter Lakeside Hospital – Lakeport – (ID 14345)

Sutter Health is pleased to submit an SB 1661 report on behalf of its Sutter Lakeside Hospital affiliate. One building at the campus carries an SPC-1 seismic performance rating, thus necessitating the submission of this report.

A remodel project will be completed prior to 2013 to allow the one code required service in this building to be relocated to an existing seismically conforming portion of the hospital.

Thank you for your attention to this submission.

Sincerely,

Carl Scheuerman  
Director, Regulatory Affairs
