Workforce Education and Training
Regional Partnership – Availability of Funds**

The following Counties have been grouped according to regions. The DMH has set a maximum funding level of \$600,000 per year per region for Fiscal Years 2008-09, 2009-10 and 2010-11 in order to provide funding for one or more Regional Partnerships that include one or more Counties listed in each region. A County may submit an Application for Funding to support a Regional Partnership that includes one or more Counties that are listed according to the following regions, and in which the applying county is also listed.

Southern Region - Maximum funding available - \$600,000 per year

Counties include:

Imperial	Kern
Orange	San Luis Obispo
Riverside	Santa Barbara
San Bernardino	Ventura
San Diego	Tri-Cities

Los Angeles Region - Maximum funding available - \$600,000 per year

Los Angeles County consists of eight geographically defined service areas with common boundaries that are shared among all the Los Angeles County departments and commissions.

Central Region - Maximum funding available - \$600,000 per year

Counties include:

Alpine	Calaveras	Fresno
